COUNTY SCHOOL BOARD NOTIFICATION

In compliance with F.S. 232.02, the parent of the above named student has notified, in writing, the Superintendent of Schools of the intent to establish and maintain a Home Education Program.

Signature of School Board Official _____ Date _____ County _____

PARENT AGREEMENT

After careful consideration of the purposes and guidelines of the accelerated education program provided by current legislation, I believe that the best interests of my child will be met by enrollment in this program at Florida Keys Community College. I agree to cooperate fully with FKCC during my child’s enrollment in this program. I understand that my child’s enrollment in courses which will count toward high school graduation will be permitted with a non-assessment of fees in accordance with current legislation. Further, I understand that supplies and books associated with any enrollment are the responsibility of the student.

I hereby certify that my child has completed the 9th grade. In lieu of a school transcript or pupil progression plan, I agree that at the request of the college I will provide a portfolio documenting my child’s grade level.

I also hereby certify that my child’s grade point average (GPA) in the home school curriculum in which they are engaged meets the statutory minimum of 3.0.

If my child has been identified as deficient in basic competencies in one of the areas of reading, writing or mathematics, as determined by scores on a postsecondary readiness assessment identified in Rule 6A-10.0315, F.A.C., and has already taken 12 credit hours of Dual Enrollment, I certify that the student is concurrently enrolled in a secondary course(s) in the basic competency area(s) for which they have been deemed deficient by the postsecondary readiness assessment.

STUDENT AGREEMENT

I agree with my parent/guardian that enrollment in the accelerated education program offered at Florida Keys Community College is in my best interest. I agree to cooperate fully with FKCC during my enrollment in this program. I understand that fees will be non-assessed for courses used to meet high school graduation requirements; books and supplies are my responsibility.

By signing this form, I acknowledge the following college/course level expectations:

1. Any letter grade below a "C" will not count as credit toward satisfaction of the requirements in Rule 6A-10.030, F.A.C.; however, all grades are calculated in a student's GPA and will appear on their college transcript.
2. All grades, including "W" for withdrawal, become a part of the student's permanent college transcript and may affect subsequent postsecondary admission.
3. While appropriate for college-level study, course materials and class discussions may reflect topics not typically included in secondary courses which some parents may object to for minors. Courses will not be modified to accommodate variations in student age and/or maturity.
4. Students should carefully select courses to meet degree requirements, including approved program common prerequisite courses, in order to minimize student and state costs for excess hours.
5. In order to continue participation in dual enrollment, students must maintain a 3.0 un-weighted high school GPA.
