

## **QUESTIONS AND ANSWERS**

### **RFQ 2022-01 Architectural Services, Continuing Contract – Miscellaneous Projects**

#### **QUESTION 1**

Are you looking for complete teams (as in Architect/MEP/Civil/Landscape, etc.) to submit or just the Architect since it's an Architectural Services Continuing Contract?

#### **ANSWER 1**

Refer to Page 18 item 4 in the RFQ

The architectural services shall include, but are not limited to all professional services and meetings required for the following:

- 4) Design and construction drawings and specifications that incorporate the necessary sub consultant discipline such as environmental, architectural, engineering, structural, surveying and any other that will be required. The documents will set forth in detail the requirements for construction of the project.
