INTRODUCTION

The College of the Florida Keys Salary Schedule is established annually pursuant to State Board of Education Rule 6A-14.0261, Florida Statute 1001.64(18), and College Board Rule 5.210. The President recommends the Salary Schedule to the District Board of Trustees at the June Board Meeting. Once adopted, the Salary Schedule becomes the sole instrument used to determine employee compensation. Personnel records of the College contain evidence of the methods used in calculating compensation for employees.

OBJECTIVES

This Salary Schedule is designed to meet the following objectives:

1. Comply with State and Federal compensation regulations.
2. Utilize available resources to meet College goals within a framework of equitable compensation practices.
3. Ensure fair treatment of employees through internal consistency.
4. Enhance the ability to attract and retain qualified employees.
 - Provide a clear and concise reference for compensation decisions.

GENERAL PROVISIONS

The 2025-2026 Salary Schedule is effective July 1, 2025, through June 30, 2026.

ELIGIBILITY

Pursuant to College Board Rule 5.621 criteria for employment at the College includes, but is not limited to, educational requirements, prior experience, knowledge related to the specific position, and commitment to the mission and vision of the College.

Prior to approval by the District Board of Trustees, the following will be completed:

- Professional Reference Checks.
- Within thirty (30) days of employment, a Criminal History Investigation (which includes fingerprinting and a national search) must be completed by the employee.

SALARY COMPUTATION

Salary computation for exempt positions such as Faculty, Executives, Administrators, and Professionals (inclusive of CFK Academy personnel classified as instructional per F.S. 1012.01(2)) is annualized and rounded up to the nearest dollar. Salary computation for non-exempt positions, such as Career employees, is based on an hourly rate.

SALARY INCREASES

Annual salary increases may be recommended to the District Board of Trustees (Board) and are dependent upon the availability of funding and other revenues. There are no guaranteed salary increases for any position or classification of positions. Unless otherwise designated by the President and approved by the District Board of Trustees, employees are eligible if employed as of July 1 of the previous year, or if employed in regular positions that run from one academic year to the next academic year.

An annual salary increase may be given as a one-time lump sum payment or added to the employee's base salary. A salary increase given as a one-time lump sum payment is not eligible for payout calculation if the employee should leave the College and is not eligible for Florida Retirement System contributions.

Employees who are in a probationary status, regular part-time and temporary employees, are eligible for salary increases only under special circumstances and approved by the President and the District Board of Trustees. Employees who terminate or resign prior to the first pay period of the fiscal year will not be considered eligible for an annual increase.

ADDITION OF POSITIONS AND JOB CLASSIFICATIONS

Additional job titles, job descriptions, and classifications may be developed as needed based upon the recommendation of a Vice President and the Office of Talent Acquisition, Development, and Accountability (TADA), with the approval of the President. It is not necessary for the Board to approve new job descriptions. The TADA Office maintains job descriptions.

MAXIMUM OF SALARY RANGE

When an employee reaches the maximum salary tier within a given salary grade, only a non-recurring adjustment will be paid as a lump sum when approved by the District Board of Trustees. This type of adjustment is not added to the employee's base salary. Supplemental payments and payments for instruction, when not part of regular duties, are in addition to regular earnings.

PRESIDENT'S AUTHORITY

The President is authorized to hire and to terminate contractual and non-contractual employees. The hiring of part-time employees is authorized by the President or designee. New hire recommendations, employee terminations, and adjustments to pay are brought to the District Board of Trustees for approval.

NON-FACULTY EMPLOYMENT FOR LESS THAN 12 MONTHS

A full-time, non-faculty employee may be hired in a regular position on a contractual basis for a period of less than twelve (12) months, subject to the President's approval. These employees are eligible for all benefits available to twelve (12)-month employees, with leave prorated.

INTERIM POSITIONS

A person may be appointed to an interim position by the President and approved by the District Board of Trustees, as necessary. Interim assignments may not last longer than two years.

GRANT-FUNDED POSITIONS

When a new position is grant-funded, a job description is developed by the supervisor and the Office of Talent Acquisition, Development, and Accountability. Based on the duties, TADA places the position at the appropriate classification on the Salary Schedule; the salary may be specified by the grant. College funding beyond the grant period is determined by business necessity and other factors. Employees holding a grant-funded position are required to record grant-funded hours separately from College-funded hours on timesheets.

EMPLOYEE EVALUATIONS

At a minimum, all full-time employees (including CFK Academy personnel) will be evaluated annually prior to the close of the fiscal year. Employees with performance evaluations indicating a need for improvement are eligible for salary increases only if recommended by the supervisor and approved by the appropriate Vice President and the President.

SALARY INCREASE METHODS

- Across-the-Board

- Cost of Living

- Promotion/Transfer

- Reclassification

- Education on the Job

- Salary Grade and/or Tier Adjustment

- Market Adjustment

- Merit Award-should the College adopt a performance plan; additional adjustments may be made for market conditions, pay equity, increased work or related factors determined by the President.

NOTE: For members of the bargaining unit, salary increases are subject to negotiation and approval of the union and in accordance with Florida Statute 447.305. The bargaining unit includes all full-time instructional personnel as well as select non-instructional personnel. See pages 16-17 for identification of non-instructional positions. For CFK Academy teachers and administrators, please see the Academy Salary Schedule included within this document.

RECORD KEEPING

The TADA Office maintains employee compensation documentation for payment and audit purposes.

STARTING SALARY DETERMINATION

Executive, Administrative, Professional, and Career employees, when recommended by the President, or their designee, and approved by the District Board of Trustees, are hired at the appropriate grade and salary range for the position. The hiring rate for employees is the minimum of the salary range. Further, in limited circumstances, starting salaries may be adjusted if recommended by the President and approved by the District Board of Trustees.

For all hires, copies of transcripts or certificates are required prior to hiring approval, and official transcripts are required within thirty (30) days of the hire date. The College recognizes the value of education and experience in employment for new hires using the following guidelines:

INITIAL SALARY PLACEMENT

Compensation Procedure for Newly Hired Employees:

Non-bargaining unit employees serving in executive, administrative, and professional (EAP) positions will be placed on the College's salary step framework corresponding to the grade assigned to their position. Initial placement within the step framework will be determined based on the individual's relevant education and previous work experience. See tables on pages 12-14 for details on EAP positions and grades. A higher salary may be granted at the discretion of the President or their designee and approved by the District Board of Trustees.

Compensation Procedures for Rehired Employees:

Former employees who have left the service of the College and return within one year of the date of termination may receive the same salary in effect when they left, if being rehired into a position of the same salary grade and pending budget availability.

EDUCATION ON THE JOB

Executive, Administrative, Professional, and Career employees who acquire a degree beyond the minimum degree required for their positions are eligible to receive a one-time merit increase as detailed on the following table. Provided funds are available in the departmental budget, the increase will be effective with the first payroll of the fiscal year following receipt of the official transcript. The transcript must be from an accredited institution and must be received by the TADA Office.

DEGREE RECEIVED	ONE TIME PAYMENT
Doctorate	\$5,000
Master's	\$4,000
Bachelor's	\$3,000
Associate	\$2,000

PROMOTION

Promotion is reassignment to a position of higher skills, responsibility, and salary grade. A promotion occurs when a qualified employee is moved from a position in one pay grade to another position which is a higher grade.

The promoted employee may receive a salary increase to at least the minimum rate of the new pay grade. If the current salary of the employee exceeds the minimum of the new grade, the new salary will be recommended by the President and approved by the District Board of Trustees.

DEMOTION

A demotion occurs when an employee is transferred to a position in a lower grade. Whether the demotion is voluntary or involuntary, an appropriate salary will be recommended by the President and approved by the District Board of Trustees.

RECLASSIFICATION / ORGANIZATIONAL CHANGES

When a position is reclassified to a higher or lower salary grade, adjustments to salary may be handled in the same manner as a promotion or demotion. Departmental or institutional reorganizations may be recommended and submitted for consideration during the budget process each year. Exceptions to this rule will only be made by the President and approved by the District Board of Trustees.

TRANSFER

Employees transferred to a position in the same classification or to a different position within the same pay grade are not eligible for an increase.

UPGRADE

A position upgrade occurs when the duties and responsibilities of the position are substantially changed, and the position is moved to a higher salary grade. The employee in the original position prior to the upgrade may or may not move with the position.

TEMPORARY ASSIGNMENTS

Position Assignment to a Higher Grade

Employees may be required to assume the duties and responsibilities of a higher-grade vacant position on a temporary basis. When assigned to a position in this manner for a period of more than five days, on the sixth day, the employee's salary may be determined as though the employee were promoted to the pay level of the higher position. The President may assign a different salary as appropriate. This temporary assignment will be for a specified period of time, not to exceed twelve months, and requires the approval of the appropriate Vice President and the President. When the temporary assignment is finished, the employee will return to their previous duties at their previous compensation rate.

Extra Duty Assignments

Non-instructional employees who assume additional responsibilities/duties within the same grade of their current position because of an increase in workload of the department may be assigned supplemental pay. For payment to be awarded, appropriate documentation of projects, responsibilities, or duties which go above and beyond the employee's current job description, is required as is the approval by the employee's supervisor, Vice President, and President.

This work is considered extra work to be calculated at the employee's current hourly wage for the hours worked on this assignment. The supervisor determines the appropriate total number of hours the new duties require of the employee and documents such. Requests for compensation for additional duties will not be approved without supporting documentation and reasons for the request.

NOTE: If an employee is non-exempt and the duties require additional hours, which bring the employee beyond forty (40) hours per week, then the non-exempt employee is entitled to overtime pay.

WORK WEEK

The regular work week is defined as Monday through Sunday. For full-time Executive, Administrative, Professional, Instructional, and Career employees, the work schedule is generally detailed as thirty-seven and one-half (37.5) hours per work week. The regular workday for full-time Executive, Administrative, Professional, and Career employees is generally detailed as seven and one-half hours per day, not including a half-hour lunch. The general business hours of the College are 8:30am to 5:00pm.

However, it should be noted that the work schedule estimated for the work week is not to be construed as a maximum amount of time required for any given position. Depending on the circumstances at the College, it is specifically contemplated that full-time employees will be called upon to work more than 37.5 hours per week. The President may authorize a change in employees' schedules as deemed necessary for the efficient operation of the College.

VOLUNTEERS

For liability purposes, volunteers are required to complete appropriate onboarding paperwork as assigned by the Office of TADA. This includes a criminal background check *prior* to performing services. All paperwork and materials will remain on file in the TADA Office. All volunteers must be requested via a personnel requisition procedure by the hiring supervisor and be approved by budget, the appropriate Vice President, and the President.

EXECUTIVE,
ADMINISTRATIVE,
AND PROFESSIONAL

EXECUTIVE, ADMINISTRATIVE, AND PROFESSIONAL

EXEMPT STATUS

Executive, Administrative, and Professional positions are exempt from the Fair Labor Standards Act overtime provisions. As such, it is specifically contemplated that full-time Executive, Administrative, and Professional employees will be occasionally called upon to work more than 37.5 hours per week, depending on the circumstances at the College.

PART-TIME PROFESSIONAL POSITIONS

The standard work schedule for part-time Professional employees is up to 25 hours per week. Individual work schedules are determined by the supervisor. Schedules may vary on a week-to-week basis depending on the needs of the department. Under no circumstances are part-time employees authorized to work more than 25 hours in any given work week without the express authorization of their supervisor, the appropriate dean or vice president, and the President.

Part-time Professional positions are placed in the appropriate pay grade for the position at the time of appointment. Appointment of part-time Professionals is recommended by the President and approved by the District Board of Trustees. Pay is determined by the grade in which the position has been classified. Wage exceptions may be made at the discretion of the President with approval from the District Board of Trustees.

MONTHLY, ANNUAL, AND MULTI-YEAR CONTRACTS

A contract will not create the expectancy of employment beyond the term of the contract. Executive, Administrative, and Professional employees are appointed to annual, twelve (12)-month contracts that begin July 1, and end June 30, of each fiscal year. The President may also recommend that Executive, Administrative, and Professional employees be given contracts for one to eleven months, on terms negotiated and approved by the President and the District Board of Trustees. The President's contract is negotiated with and approved by the District Board of Trustees for a maximum of three years.

EMPLOYEE EVALUATIONS

Probationary Evaluation

Executive, Administrative, and Professional employees are on a probationary period for the first six months of employment. Employment during this period is at-will and may be terminated at any time by the Employee or the College. The immediate supervisor evaluates job performance at the end of this period and recommends: 1) removal from probation and continuation of employment, 2) extension of the probationary period up to an additional three months, or 3) termination of employment. The probationary period may not extend beyond a period of nine months. Employees who are promoted or transferred to another position are not subject to additional probationary review.

Annual Evaluation

Executive, Administrative, and Professional employees participate in an annual evaluation with their immediate supervisor. The supervisor makes contract recommendations for the employee on the evaluation form for approval by the appropriate Vice President and the President. Final approval is determined by the District Board of Trustees no later than the June Board meeting.

INSTRUCTIONAL SUPPLEMENTS

Executive, Administrative, and Professional employees who teach courses *not* included in their job description are paid according to the Adjunct and Overload compensation schedule.

REPORTING REQUIREMENTS

Placement on the Executive, Administrative, and Professional Salary Schedule does not necessarily indicate such positions are reported to the State Board of Education as an Administrative position. Positions are reported as instructed by the State Board of Education.

CFK ACADEMY

CFK ACADEMY SALARY SCHEDULE 2025-2026

STARTING SALARY DETERMINATION

New hires in 2025-2026 will receive only the salary increase for placement on the new salary schedule and are not entitled to additional movement. Placement shall be based on all verified years of teaching experience. CFK will recognize all years of verified traditional public school or accredited private school teaching experience (state or out-of-state) for initial placement on the salary schedule.

Initial placement will occur in the following manner: the first ten (10) years of service experience will be credited by granting one full level (three increments) for each year of verified experience; each year thereafter will be credited by granting two thirds of a level (two increments) per year of verified experience. Starting salary may be adjusted further, if necessary, for pay equity, market demand, or area(s) of critical need, as determined by the Academy principal, College President, and approved by the District Board of Trustees. Initial placement will be in accordance with the following table:

CFK Academy teachers shall move on the salary schedule in accordance with the following provisions:

- Eligible employees who achieve a range of effective on their annual evaluation will have their salary adjusted by an additional five steps on the salary schedule, effective with the next contract year.
- Eligible employees who achieve a range of highly effective on their annual evaluation will have their salary adjusted by an additional seven steps on the salary schedule effective with the next contract year.

FACULTY

FACULTY

STARTING SALARY DETERMINATION

The minimum of each instructional salary range is set by level of education and is the base salary amount for faculty meeting the degree level. In general, new hires will be placed on step one (1) of the appropriate grade in accordance with the framework. At the discretion of the President, or their designee, with approval by the District Board of Trustees, new employees may be hired above the minimum range for their position to a maximum of step four (4).

STARTING SALARY - EXPERIENCE FACTORS GUIDELINES

Faculty who do not hold the listed degree for a specific level but hold certifications and/or experience that credentials them to teach at that level will be paid at the level they are credentialed to teach, with the approval of the Vice President, Academic Affairs, and the President.

Nursing Faculty:

Master's degree in Nursing with one or more professional certifications (beyond requirements for the position) is placed at Level II.

Bachelor's degree in Nursing with one or more professional certifications (beyond requirements for the position) is placed at Level III.

Bachelor's degree in Nursing with no professional certifications is placed at Level IV.

Nursing Instructors teaching clinical courses are paid in a 3:1 ratio. (3 workload credit hours for every 1 credit hour taught)

CONTRACT LENGTHS FOR INSTRUCTIONAL FACULTY

Salaries on the Instructional Salary Schedule are based on a 10-month contract (193 days) assigned as follows:

Fall Term/Term I	80-84 duty days
Spring Term/Term II	80-84 duty days
Summer Term/Term III	29 duty days *

*Summer Term: Faculty members are required to be on-campus for twenty-nine (29) duty days or 203 hours. Faculty members teaching in a summer term must coordinate with the appropriate Dean to schedule summer work hours.

A duty day is defined as a contractual workday. Full-time Instructional contracts consist of a thirty-seven and a half (37.5) hour work schedule, which includes seven and a half (7.5) discretionary hours. Discretionary hour activities include, but are not limited to, lesson planning, grading, representing the College at meetings with partner organizations, and curriculum development. Days worked beyond contract periods must be approved, in advance, in writing, by the appropriate Academic Dean, for payment.

LEVEL PLACEMENT

Initial placement on the Instructional Salary Schedule is based on the highest level the instructor is credentialed to teach. For all levels, copies of transcripts or certificates are required prior to hiring approval, and official transcripts are required within thirty (30) days of hire date.

CREDENTIALING CRITERIA

The College of the Florida Keys is accredited by the Southern Association of Colleges and Schools Commission on

Colleges (SACSCOC) to award the associate and baccalaureate degree. TADA personnel review transcripts to determine compliance with the College’s credentialing guidelines and make credentialing recommendations to the Vice President, Academic Affairs, and the President. The final determination on Faculty credentials lies with the Vice President, Academic Affairs or designee.

FACULTY EVALUATIONS

Probationary Evaluation

Faculty members are on a probationary period for the first term/semester of employment. The immediate supervisor evaluates job performance at the end of this period and recommends: 1) removal from probation and continuation of employment; 2) extension of the probationary period up to an additional three months; or 3) termination of employment. The probationary period may not extend beyond a period of one academic term.

Annual Evaluation

Faculty members participate in an annual evaluation, prior to the June Board meeting, with their immediate supervisor. The supervisor makes contract recommendations for the employee on the evaluation form for approval by the Vice President, Academic Affairs, and the President. Final approval is determined by the District Board of Trustees no later than the June Board meeting.

EDUCATION ON THE JOB

Faculty members are placed at an upgraded degree level when the requirements for an additional degree, within the discipline for which they are credentialed to teach, are completed, and an official transcript is on file with the TADA Office. When a faculty member completes an additional degree from an accredited institution that would qualify for a change in level placement, the base annual salary is increased by the difference between the minimum pay of the original degree level and the minimum pay of the new degree level. The level change may be effective in the payroll following receipt of the official transcript by the TADA Office.

FACULTY 2025-2026 SALARY SCHEDULE

LEVEL	DEGREE	193 Days 10-month	
		Minimum	Maximum
I	Doctorate	\$71,310	\$117,865
II	Master’s + 30	\$67,915	\$112,252
III	Master’s Highly Technical	\$64,681	\$106,907
IV	Bachelor’s	\$61,601	\$101,816
V	Associate’s	\$58,667	\$96,968

FACULTY DUTY DAY

- A. College recognized holidays and closures are not considered faculty duty days. A duty day for full-time faculty is a contractual workday, defined as working on campus seven and a half hours each day, thirty-seven and a half hours per week (see paragraph regarding summer term). Office hours are scheduled so students have a

reasonable opportunity to meet with faculty. Adjustments to approved schedules must be authorized in advance by the appropriate Academic Dean.

- B. Full-time faculty are required to schedule a minimum of thirty-seven and a half (37.5) hours each workweek. The workweek will comprise of ten (10) on-campus office hours, fifteen (15) class-contact hours, seven and a half (7.5) campus hours, and seven and a half (7.5) discretionary hours; hours may be adjusted, as required, with written approval of the appropriate Academic Dean. College business conducted during campus hours or discretionary hours may include, but is not limited to, preparation for classes, meetings and committee participation, grading assignments, etc. Please see the paragraph regarding work hours during the summer term.
- C. Overload class hours are in addition to the minimum on campus hours required.

Contract Length	REQUIRED Weekly Hours	Description
10 Month	37.5 hours	15 teaching hours* (12.5 in class) + 10 office hours + 7.5 discretionary hours + 7.5 campus hours

*Please note per Florida Statute 1012.82, "a classroom contact hour consists of a regularly scheduled classroom activity of not less than 50 minutes in a course of instruction." At the College, one teaching hour is equivalent to fifty minutes in class. Fifteen teaching hours is equivalent to 12.5 in-class hours.

INSTRUCTIONAL LOAD CREDIT

- A. Full-time faculty members' instructional load per fall and spring term is five classes, without laboratories, of three credit hours each, or 15 credit hours in total. For each class taught with less than three credit hours, the full instructional load per term will be 15 credit hours, or as close to 15 credit hours as possible. 10-month faculty members are required to teach 6 credits in the summer term. Please see chart below for additional information regarding the summer schedule.

Contract Length	REQUIRED Total Summer Hours	DESCRIPTION
10 Month	203 hours	90 teaching hours* (75 in class hours) + 60 office hours + 23 discretionary hours + 45 on-campus hours

*Please note per Florida Statute 1012.82, "a classroom contact hour consists of a regularly scheduled classroom activity of not less than 50 minutes in a course of instruction." At the College, one teaching hour is equivalent to fifty minutes in class. Thus, 90 teaching hours is equivalent to 75 in class hours. 10-month contracts include one holiday.

- B. In the event that full-time faculty does not meet the required instructional load, the Vice President, Academic Affairs may approve one of the following to complete the faculty's full load assignment:
- Assignment of an additional course.
 - Development of an online course.
 - "Banking" of the deficient load by adding an additional course in the subsequent term.
- Other assignments, i.e., conducting a faculty or staff workshop, conducting student review workshops, teaching in Continuing Education, tutoring, completing institutional research, recruiting, handbook revisions, etc. The faculty supervisor will establish an outcomes contract reflecting time and contact hours equivalent to a 3-credit course and evaluate the assignment at the end of the term.
- Supporting documentation of augmented duties will be included with the Faculty Load Letter
- C. For combined courses (C) and laboratory courses (L), the credit hours assigned to classroom hours are

considered separately from the credit hours assigned to laboratories. For example, one hour load credit is given for one credit hour of class taught. One hour of load credit is given for every two hours of laboratory, unless special conditions allow for a different ratio. The President or designee may approve deviation from this ratio.

- D. When two or more courses are cross listed by the same instructor, these classes are considered one class for instructional salary purposes.
- E. Independent study is not part of assigned instructional load credit for computing salary.

OVERLOAD CREDIT

When courses assigned to a full-time instructor for either Term I or Term II exceed 15 credit hours the excess load credit is considered an overload. Overload compensation will be calculated on additional credit hours taught beyond the standard 15 credit hour load. Payment is made according to the Overload rate outlined in the Adjunct and Overload Compensation section, and is limited to two courses per Faculty member, at the discretion of the Vice President, Academic Affairs. In unusual circumstances, when the College finds it necessary, the Vice President, Academic Affairs may approve a deviation from the two-course overload limit. Deviations also require approval of the President.

SUMMER TERM COMPENSATION FOR FULL-TIME FACULTY

Faculty are required to teach six credits during Term III (summer), in addition to assigned administrative duties, as part of their regular load and are paid at the adjunct rate for overload, based on education level.

SUBSTITUTE COMPENSATION

Full-time faculty is not typically authorized to substitute teach during regularly scheduled work hours. If substitute instruction is needed during the faculty's regularly scheduled work hours, the faculty's class, campus and/or office hours are rearranged with the approval of the appropriate Academic Dean.

TRAVEL-TIME COMPENSATION FOR INSTRUCTION AT TEMPORARY OFF-SITE LOCATION

- A. All travel-time compensation must be requested and approved by the Vice President, Academic Affairs or designee prior to the first day of class for which the compensation is requested.
- B. Compensation applies to full-time faculty and adjuncts teaching credit and non-credit courses.
- C. Compensation is paid for teaching at an off-campus temporary location which is: 1) greater than 30 minutes driving time (one way) from official employment site or 2) greater than 30 minutes driving time (one-way) from home. Driving time is computed using an average speed of 45 mph at \$8.10 per hour.
- D. Mileage is paid at the Board approved mileage rate from center to center, or the distance from the instructor's home to the teaching center (whichever amount is less). There is no per diem for meals and lodging.

IF OFFICIAL EMPLOYMENT SITE IS KEY WEST:

Destination	Mileage	One way Travel time	Return trip travel time	Compensation
Middle Keys Center	45 miles	1 hour	1 hour	2 hrs. X 15 meetings= 30 hrs. 30 hrs. @ \$8.10 = \$243.00
Upper Keys Center	102 miles	2.25 hours	2.25 hours	4.5 hrs. X 15 meetings = 67.5 hrs. 67.5 hrs. @ \$8.10 = \$546.75
Site in Upper Keys at MM 112	112 miles	2.5 hours (112/45= 2.5 hrs.)	2.5 hours	5 hrs. X 15 meetings = 75 hrs. 75 hrs. @ \$8.10 = \$607.50

- A. Compensation does not apply to travel to an instructional site outside of Monroe County.
- B. Compensation is not paid for an instructor commuting between place of residence and the official employment site as part of regular teaching load.
- C. This policy applies to regularly scheduled classes meeting a specified number of times at an approved location. It does not apply to field trips.
- D. Compensation is paid at the completion of the scheduled class.

Requests for independent studies are reviewed on a case-by-case basis by the Vice President, Academic Affairs. Any qualified instructor, whether full-time or part-time, may teach independent study courses. For full-time faculty members who teach an independent study, but do not have a full load for a specified term, the independent study will be considered part of their regular instructional load duties, and no additional compensation will be given. Any instructor teaching an independent study for a class they are currently already teaching will only receive compensation for that independent study if the class size is equal to or greater than the state standardized class size. For classes that do not have the minimum enrollment, instructors may be compensated at a reduced rate in accordance with the independent study compensation schedule.

ONLINE LEARNING COURSE INSTRUCTION

Compensation for online courses is based on course credit load. Adjunct online learning course instruction is paid using the Adjunct Salary Schedule. Level of compensation is based on the highest degree(s) held by the instructor or the level the instructor is credentialed to teach. For load purposes a standard course is three credits.

ONLINE COURSE DEVELOPMENT COMPENSATION

Compensation for online course development is \$500 per course, with prior written approval by the Vice President, Academic Affairs, and compensation will be paid upon approval and completion of the course as prescribed in the Online Course Development Standards.

RELEASE TIME

At the President's discretion, release time may be provided to full-time faculty members who serve as standing committee chairpersons when the College documents a significant workload increase due to chairperson responsibilities.

FACULTY TITLES

Faculty titles include Instructors, Assistant Professors, Associate Professors and Professors. Faculty titles are determined by consideration of the faculty member's teaching experience and education, as detailed on the next page.

²15 Classroom contact hours per credit.

PROFESSIONAL DUTY COMPENSATION

Professional duty compensation is \$17.50/hour. A reduced rate not less than the minimum wage may be paid for a class of fewer than seven students, subject to approval of the President. Compensation may be paid as a supplement to full-time, part-time, regular and temporary College employees, and to adjunct instructors who work on a finished product such as a report, project, consulting services, or other “hourly duty” responsibilities. Time sheets are required by Payroll to document hours worked.

CAREER

CAREER

EMPLOYMENT AUTHORIZATION

Full-time, part-time, and temporary career employees are placed at the appropriate grade and range for their positions. The President is authorized by the District Board of Trustees to employ part-time and temporary Career employees. The District Board of Trustees must approve full-time employment.

NON-EXEMPT STATUS, OVERTIME ELIGIBILITY

Non-exempt Career employees are paid overtime or receive compensatory time for work performed over forty (40) hours per week. This includes total hours worked for course preparation time. Payment of overtime or compensatory time is made in accordance with the Fair Labor Standards Act. Overtime provisions for College employees are reflected in College Procedure 52.40. Except in extraordinary circumstances approved in advance by the President, non-exempt Career employees are not authorized to work more than forty (40) hours in any work week. Record-keeping procedures for hours worked by non-exempt employees are provided in College Procedure 56.53.

PART-TIME CAREER POSITIONS

The standard work schedule for part-time Career employees is twenty-five (25) hours per week or less. Individual work schedules are determined by the supervisor. Schedules may vary on a week-to-week basis depending on the needs of the department. Except in extraordinary circumstances approved in advance by the President, part-time Career employees are not authorized to work more than twenty-five (25) hours in any work week.

Part-time Career positions are placed in the appropriate pay grade for the position at the time of appointment. Appointment of part-time Career employees is recommended by the President and approved by the District Board of Trustees. Pay is determined by the grade in which the position has been classified and is typically set at the minimum pay level for the position. Exceptions may be made for education and experience above that of the required qualifications with the President's approval.

EMPLOYEE EVALUATIONS

Probationary Evaluation

Full-time, part-time, and temporary employees are under a probationary period for the first six months of employment. During this probationary period, employment is "at will", meaning that the employee may be discharged by the College or may choose to leave the College without cause. Their immediate supervisor evaluates job performance at the end of this probationary period and recommends to the Executive/Administrative supervisor: 1) removal from probation and continuation of employment; 2) extension of the probation period for up to an additional 90 days; or 3) termination of employment. The probationary period may not extend beyond a total of nine months. Employees who transfer to another position are not subject to probationary review.

Annual Evaluations

Career employees participate in an annual evaluation with their immediate supervisor each fiscal year.

CAREER OVERTIME PROCEDURES FOR EMPLOYEES WHO PERFORM OVERTIME AT TWO OR MORE JOBS AT DIFFERENT RATES OF PAY

With the President's prior approval, non-exempt employees who work more than forty (40) hours per week are due overtime payment or compensatory time. The method of overtime calculation for multiple jobs at different hourly rates of pay is based on a weighted average rate of employee compensation.

Step 1: Gross Wages / All hours worked = Weighted Average Rate

Step 2: Weighted Average Rate x 1.5 x Total Hours Worked over 40 hours per week = Total Overtime Pay

Example: An employee works 37.5 hours per week in a regularly established position, making \$15.00 per hour. The employee then works ten hours a week in a grant-funded position, making \$19.00 per hour. The employee is working 7.5 overtime hours. Payment calculation is as follows:

$\$562.50 + \$190.00 = \$752.50$ gross wages / 47.5 total hours worked = \$15.84 (Weighted Average Rate)
 $\$15.84 \times 1.5 = \23.76 * 7.5 hours of overtime = \$178.20 (Total Overtime Pay) \$178.20 overtime pay +
 $\$752.50$ gross wages = \$930.70 (Total Pay)
