Elective 2	3
Elective 3	3
Elective 4	3
Elective 5	3

Spring Second Year - 9 Credits

Semester C

Computer Competency	1 or 3
Elective 5	3
Elective 6	3

Prerequisites

To take the optional gen-eds and some electives, the core gen-ed may be an immediate prerequisite. Students are strongly encouraged to take electives that count in the AA degree as well as those appropriate to their intended major. Some courses have lab components which may place a student above or below the 60-credit threshold to graduate. In such cases an additional course may be required for graduation.

Program Description:

To earn an Associate in Arts degree students must earn sixty (60) credits. Students must complete thirty- six (36) credit hours of general education courses and 18–19 credit hours of elective course work, 3 credit hours of Computer Competency, and 2–3 credit hours of College Success. The courses listed on this sheet are only a guide. Course requirements may change each year. You are responsible and encouraged to work closely with your advisor. For more information, please call Advising Services, 305-809-3196.
