

FLORIDA KEYS COMMUNITY COLLEGE  
AND  
UNIVERSITY OF MIAMI SCHOOL OF NURSING  
INTERINSTITUTIONAL ARTICULATION AGREEMENT

This agreement between FLORIDA KEYS COMMUNITY COLLEGE, hereinafter referred to as "College", and the UNIVERSITY OF MIAMI SCHOOL OF NURSING, will be effective beginning November 1, 1987, and will be automatically renewed from year to year in the same manner unless revisions are necessary or unless terminated by either party in writing within thirty (30) days of their intention not to renew this agreement.

The content of this agreement is meant to serve as general guidelines in the articulation of the RN to BSN Transition Program sponsored by the University of Miami and implemented by the School of Nursing of the University of Miami.

RESPONSIBILITIES OF THE COLLEGE:

- A. Provide counselling space and classroom space at main or off-campus centers as determined by need/enrollment.
- B. Provide scheduling of appointments, by College's Nursing Department, for students with the University of Miami representative.
- C. Obtain prior approval by Curriculum Committee for articulation agreement and for required non-nursing courses, making recommendations to the Dean, Provost, President, and the Board of Trustees regarding the agreement.

- D. Obtain qualified instructors to teach non-nursing courses required by the University of Miami that are not currently offered in the normal course schedule at the COLLEGE. (Example: Chemistry for Health Professionals).
- E. Provide use of the Learning Resource Center for student research.
- F. Provide, through public media, information regarding the RN to BSN Program (dates for registration/counselling). This information will be communicated in written form to the COLLEGE'S Director of Information Service sufficiently in advance to be relayed to the consumer. The COLLEGE reserves the right to adapt information for use of differing media or locations.

RESPONSIBILITIES OF THE UNIVERSITY OF MIAMI SCHOOL OF NURSING:

- A. Provide advisement for applicants and enrolled students on the COLLEGE campus and/or centers as needed.
- B. Provide written information for press releases regarding program information and/or specific dates advisement will be available and communicate with the Director of Information Services.
- C. Handle all applications and registration of prospective students.
- D. Provide own secretarial services.
- E. Coordinate efforts regarding the program with the Provost, the Director of Information Services, and the Coordinator of Health Services at the COLLEGE.
