Program Description: The Bachelor of Applied Science in Supervision and Management Degree is designed for graduates who have completed an Associate of Arts or Associate of Science degree. Students must have earned an A.A., A.S. or an equivalent from a regionally accredited institution. The BAS-SM program includes coursework and field experience in supervision and management settings to enable students to integrate theory with practice.

***Electives:** Make elective choices based upon the desired career path you aspire to achieve.

Recommended Technical Electives for AA if needed: (up to 18 credits): MAN 2021 Management Concepts, STA 2023 Introduction to Statistics, GEB 1011 Introduction to Business, ECO 2013 Macroeconomics, ACG 2021 Financial Accounting, MAR 2011 Principles of Marketing

Recommended General Electives for AS if needed: ENC 1102, STAT 2023, POS 1041, AMH 2020, SPC 1608, etc.

****Prerequisite for MAN 4504 Operational Decision Making** – STAT 2023 Introduction to Probability & Statistics (fall or spring only)

*****MAN 4720 Capstone Experience: Business Management** is a required final course. It should be taken in the last semester and must be completed at CFK. It is strongly recommended to be taken with no more than one other course from the degree core.

Other degree completion Requirement: Civic Literacy Requirement: (Suggested in fall and spring), Foreign Language Requirement, Residency requirement: Please see the catalog for further information about these requirements.

The courses listed on this sheet are only a guide. Following these tracks does not guarantee admission into a university. Course requirements may change each year. You are responsible and encouraged to work closely with your advisor. Some courses are offered night/online only every other year.
