Program Description: The Bachelor of Science in Exceptional Student Education (BS-ESE) is designed for graduates who have completed a minimum of an Associate of Arts (A.A.), and EDF 2005 with a C or higher. This program will produce highly qualified K-12 educators eligible for the Florida Teacher Certification. The curriculum is designed to train and educate teachers to assist and empower children with disabilities who need specially designed instruction and related services through coursework and fieldwork. The courses listed on this sheet are only a guide. Following these tracks does not guarantee admission into a university. Course requirements may change each year. You are responsible and encouraged to work closely with your advisor. Some courses are offered night/online only every other year. Each course is equivalent to three credits unless otherwise noted.
