Program Description:

This program is designed to provide individuals with the skills and knowledge necessary to start, operate, maintain, and improve their own business. Students will develop a portfolio of assignments throughout the coursework that will culminate in a business plan presentation to community members. To prepare for this capstone event, students will first learn the fundamentals of the business environment. Subsequently, this knowledge will provide a foundation for students to create a marketing plan and pro forma financial statements. Additionally, students will gain a working knowledge of E-Commerce and related electronic business enhancement.

The courses listed on this sheet are only a guide. Following these tracks does not guarantee admission into a university. Course requirements may change each year. You are responsible and encouraged to work closely with your advisor. Some courses are offered night/online only every other year.
