

CERAMICS

HAND BUILDING

(WEDNESDAYS)

THE
COLLEGE
OF THE
FLORIDA KEYS

This class focuses on hand-building techniques, enhancing students' skills in form, technique, and glazing through demonstrations and slide presentations of ceramic artwork. The fee includes a toolkit, 50 lbs. of clay, and studio access during open hours. Firing options include gas, oxidation, raku, and wood/soda. Additional clay costs \$2 per pound beyond the included amount, covering materials and firing expenses.
